Date: January 6, 2008

Trainer Wayne Martin (

: D.O.B. 9/20/50)

After a formal hearing before the Board of Stewards you have been found to have transported 5 horses across state lines on December 13, 2007 from Riverside Training Center in Henderson, Kentucky to Evansville, Indiana without the proper health certificate issued by a licensed veterinarian in the Commonwealth of Kentucky. This action was taken after you were informed by Mr. Rusty Ford of the Kentucky Department of Agriculture that the horses had been exposed to the communicable disease, Strangles, and that a valid health certificate could not be issued and the horse could not be moved without the immediate danger of farther contamination. In Evansville, Indiana you contacted Dr. Raymond Stone and without informing him that the horses had been exposed to a communicable disease had him issue a health certificate for transit to Tennessee. You have accepted a SIXTY (60) day suspension and a fine of Two Thousand Five Hundred (\$2,500.00) Dollars. The fine is to be paid on the final day of your suspension. This penalty is accepted in lieu of a SIX MONTH suspension. The suspension will begin on January 15, 2008 and be enforced thru and including March 14, 2008.
